

BAYS UNITED SUMMER SOCCER CAMPS

2011

for co-ed U6-U11 years

FROM THE CAMP DIRECTOR

Bays United summer soccer camps are a fun and exciting way to build your soccer skills with some of our best technical coaches. This dynamic soccer experience not only helps to develop our young players, but it also helps build a great sense of belonging in our soccer club!

- *Darryl Hooker, U6-U11 Technical Director*

CAMP PHILOSOPHY

At our Bays United camps, we provide a rich learning experience in balance with “fun in the sun!” Some of our primary aims:

- Focus on individual skills – dribbling, passing, shooting
- Improve team skills and game understanding
- Motivate participants with “bite-size” coaching strategies
- Foster sportsmanship and citizenship
- Promote physical fitness
- Provide FUNDamental motor skills development

FUNdamentals

Scientific sport research shows that children will become better athletes AND stay active longer in life if they learn FUNdamental sports movements prior to their teen years. In line with Canadian Sport for Life recommendations (www.ltad.ca), Bays United camps are dedicated to promoting the FUNdamentals to ensure young players develop important motor skills

CAMP FORMAT

Campers are streamed into teams based on age, size and skill level – this provides the best learning and playing situation. Then they are given the name of a famous soccer team (e.g. Barcelona, Manchester United, etc.) and a colorful camp t-shirt to identify their group!

- Player to coach ratio is 12:1
- Small-sided games increase touches and skills (3 a-side, 6 a-side)
- Opportunities for players to win prizes and ribbons all week
- Full-day campers swim at Oak Bay Recreation Centre (end of each day)
- All participants receive a camp t-shirt!
